

Data-driven Mock Examination

DataExams Company Limited

HKDSE Mock Examinations 2024-25 -
English Language Paper 1 and Paper 3

DataExams' 10 years of Mock Exams Experience

Unique Benefits of DataExams' Mock Examinations

1

Guaranteed Assessment Quality:

Teachers will preview and examine the mock exam papers before they decide to send their students to our mock exams.

2

Efficient Marking and Reporting Service:

Exam papers will be marked by an expert team within **one month***. Schools will receive marking schemes, question analyses, and performance reports with HKDSE grade predictions (we provide both individual and school reports).

3

In-Depth CQ™ Comparison Reports:

Exclusive exam reports with item analysis to compare the performance of your students with that of other candidates.

4

Trusted logistics Service: Our experienced logistics team will make sure the return of the exam papers and reports punctually (see 2 above).

5

On-Site Flexible Examination Service:

Schools can select their preferred date and time for the mock examination, starting from 1st November 2024 to 15th March 2025.

6

Comprehensive Analysis Videos:

Students can access exam analysis videos, released on or before 31st March 2025.

*Candidates joining mock exam between 17 February and 15 March 2025 will get their results and reports within two weeks.
